⚠ WARNINGS/CAUTIONS BEFORE STARTING INSTALLATION ⚠

-BEFORE YOU INSTALL THIS KIT-
Read and understand all instructions, warnings, cautions, & notes contained in this installation instruction guide. Consult your vehicle owner's manual for proper disconnection of electrical and lifting of vehicle if required for installation of this product.

This install may require some technical skills and knowledge of basic mechanical work. If you do not feel that you are capable of performing this install please take this product to a trained professional.

After reading this guide please contact us with any questions or concerns before installing product.

Customer Service: 830-896-7571
Rago Fabrication is *not* responsible for any bodily injury or harm to you or your vehicle as a result of an improper install.

Proper installation of this kit required knowledge of the factory recommended procedures for removal and installation of original equipment components.

We recommend that the factory shop manual and any special tools needed to service your vehicle be on hand during the installation. Installation of this kit without proper knowledge of the factory recommended procedures may affect the performance of these components and the safety of the vehicle.

Inspect all contents of this package to make sure product is not damaged and all installation hardware has been included. If parts are missing from kit, please be prepared to provide the following information:

1. Name of purchase location
2. Bar Code on side of box
3. Date above bar code
4. Date inside box cover

ALWAYS WEAR EYE PROTECTION WHEN OPERATING POWER TOOLS

NEED HELP? (830) 896-7571

☐ STEP 1

Locate the plastic piece behind the infotainment screen.

**NEED HELP?** 📱 **(830) 896-7571**

☐ STEP 2

Place the **(H)** mounting bracket on the plastic piece from **step 1**, align it on the backside of the infotainment screen using the blue dotted line as shown below. Use a marker to mark your mounting holes as shown below.

NEED HELP? 📱 **(830) 896-7571**

STEP 3

Using a pry tool remove the plastic cover as shown below.

(Use caution when removing to not damage the plastic clips)

NEED HELP?   (830) 896-7571
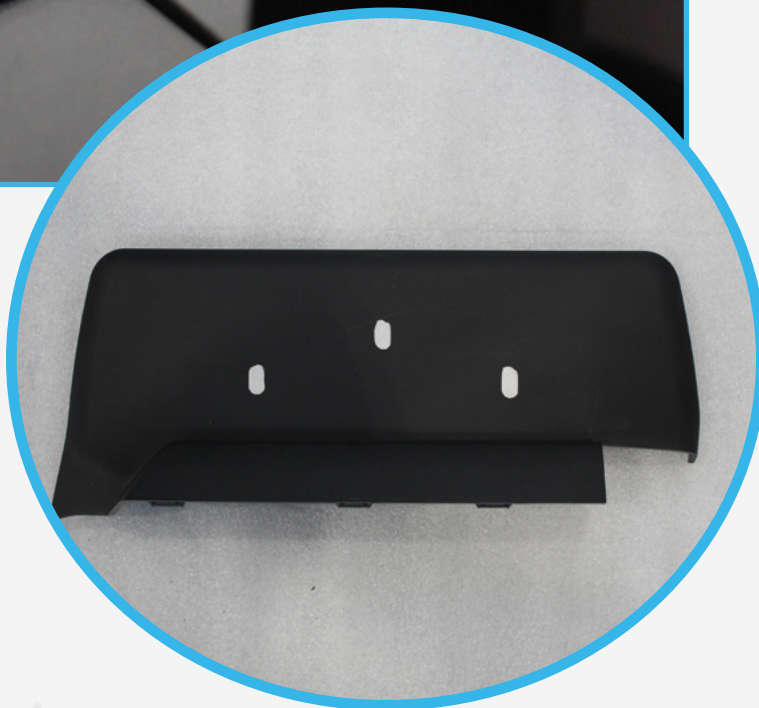

☐ STEP 4

Use a (25/64 drill bit drill) to drill out the holes marked in **step 2**.

NEED HELP? 📱 **(830) 896-7571**

☐ STEP 5

Using the **(E)** 1/4" rivet nut and a rivet nut tool, install into holes drilled in **step 3.**

E.

NEED HELP? 📱 **(830) 896-7571**

STEP 6

If you do not have a rivet nut tool, use a 1/4-20 x 3/4 hex head bolt, a 1/4 washer, and a 3/8 nut to install the rivet nuts **(E)**. Tighten using a (9/16 wrench) and a (7/16 socket) on a impact.
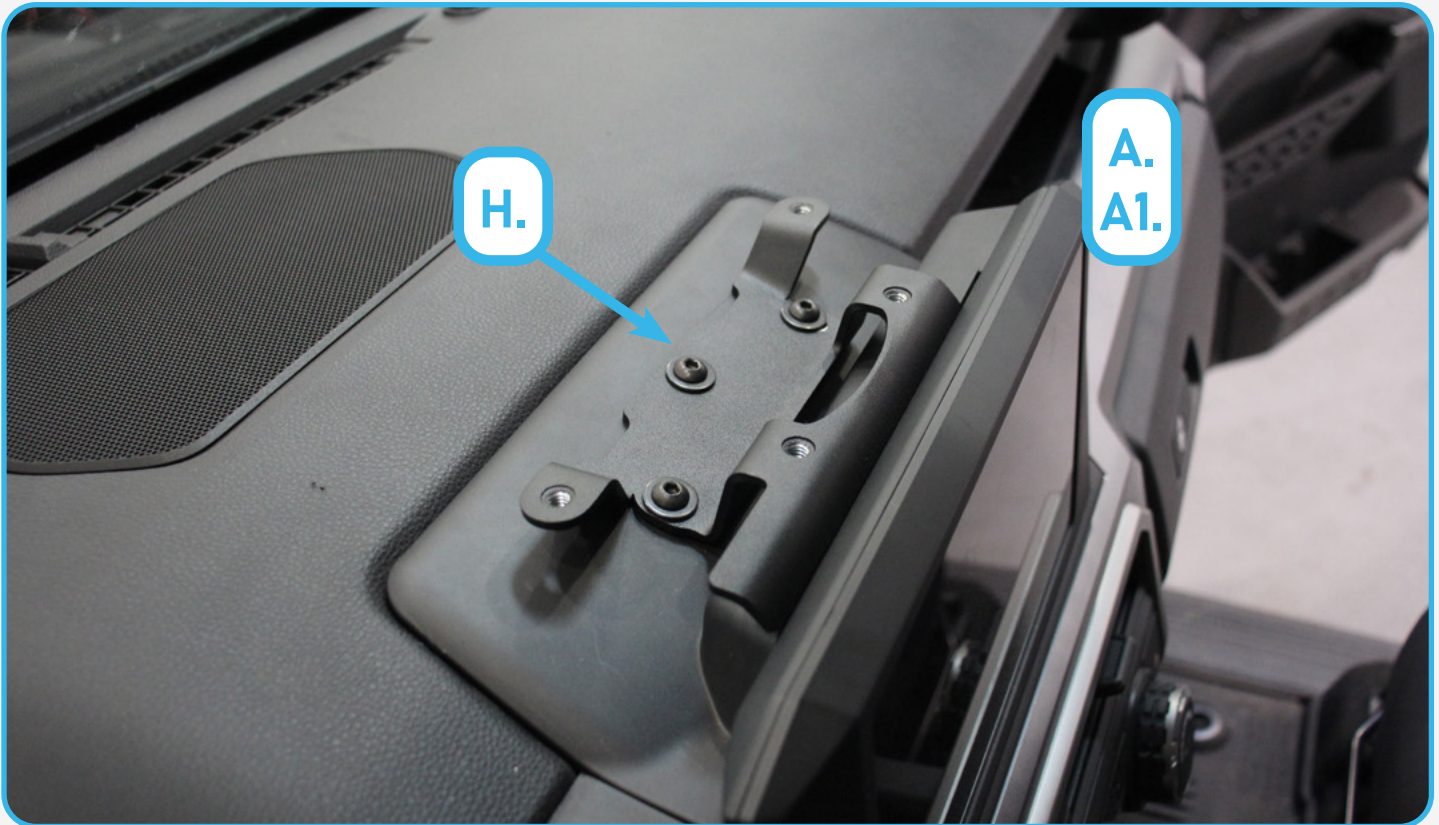

NEED HELP? 📱 **(830) 896-7571**
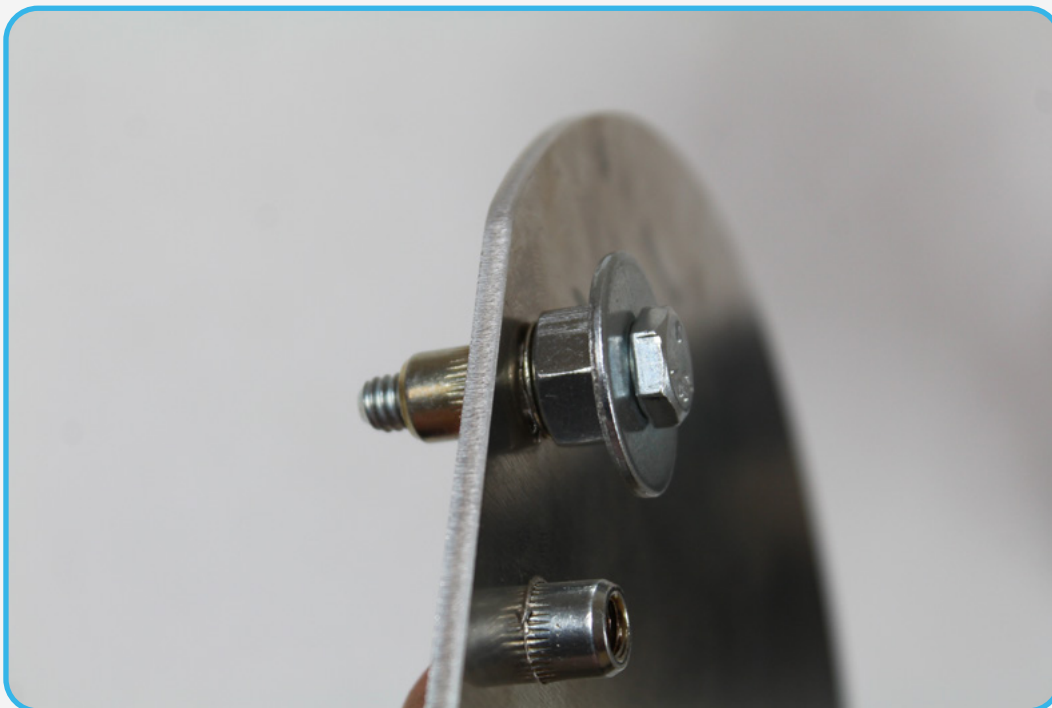

☐ STEP 7

Reinstall the plastic piece.

NEED HELP? (830) 896-7571

☐ STEP 8

Install the **(H)** mounting bracket with the provided **(A, A1)** 1/4" hardware using a (5/32 allen) into the **(E)** rivet nuts installed on **step 5**.

NEED HELP? 📱 **(830) 896-7571**

☐ STEP 9

Install the provided **(F)** USB charger to the dash mount with the provided **(B, B1)** #8 hardware using a (11/32 wrench) and a (5/64 allen) as shown below. Next install the dash mount to the bracket installed on **Step 8** with the provided **(A2, A1)** hardware using a (5/32 allen).
